

ORGANIC TEAS

The story for KORO Premium Organic teas begins high in the mountains, deep in the forests, and the colorful meadows of a beautiful countryside, where a real treasure of herbs with adorable flavor, scent and color grow in abundance.

These natural Herbs have inspired us since 1992. KORO has been committed to providing premium quality teas, consisting of non-polluted, 100% natural ingredients.

With a desire to deliver a piece of healthful nature in your everyday tea cup, we have selected the cleanest and finest leaves, fruits and flowers.

Devoted to continuously delivering Premium quality medicinal and aromatic plants in a sustainable way, we have established Organic farming cooperative and an organization of educated people for collection of wild growing herbs, according to the highest Organic standards.

The Premium Organic tea collection made by Koro consists of popular tea herbs, which are carefully processed and packaged to protect the natural color and flavor. Each cup of our tea always delivers the same quality and unique natural taste sensations.

We invite you to join us in a flavorful tea drinking experience.

KORO Aronia (Black chokeberry) dried fruits have exceptional nutritional value as they contain high percent of antioxidants like vitamin C. Antioxidants neutralize the free radicals in the body, protect and contribute in healthy well-being.

These superfruits are also good source of vitamins, minerals, as well as dietary fiber. Chokeberries are low in calories and fats and as a good source of dietary fiber, they are perfect food for fitness and healthy weight control.

Serving suggestions:

Take 25-30 g dry fruits during the day as a snack or add to breakfast cereals, ice cream or fruit salads. Black chokeberries are great alternative to raisins.
